(A Group of MDC Pharmaceuticals)

Maya Biotech Pvt Ltd

(A Group of MDC Pharmaceuticals).....

Maya Biotech Pvt. Ltd. (A Group of MDC Pharmaceuticals) Introduces our-selves as a leading & trusted brand in the pharmaceutical Contract Manufacturing industry.

Maya Biotech Pvt. Ltd., began its functioning in the year 1998, as a manufacturers and suppliers of this highly commendable range of Pharmaceutical Medicines. Company has setup its plant in the pollution free zone in the lap of Himachal Pradesh's Hills, which is most suitable for pharmaceuticals production. We are recognized as a renowned organization in the industry due to the support of our state-of-the-art infrastructural facility. Spread over a vast area, our infrastructure is equipped with high-tech machinery and advanced technology that enable us to utilize the resources in a judicious manner, hence, reducing their wastage. This facility is enhanced by experienced and qualified professionals hired by us. Furthermore, we have segregated our infrastructure into various departments in order to maintain a hassle-free and conducive working environment.

Maya Biotech Motto is "Your Partner In Integrated Healthcare"..... is committed to provide quality branded medicines on basis of quality production.

Consequently, our large-scale ethical production capacities, highly qualified and quality control staff, WHO-GMP approved manufacturing facility combines to give a perfect environment for outsourcing or contract manufacturing pharmaceutical products.

Today, we are amongst the Top Contract manufacturing companies of India that is well on its way to attain new goals, as we step into the next phase.

Our vision is to become an Advanced Technology & Research based Contract Manufacturing Pharmaceutical company to emerge out as an intellectually strong player in domestic as well as in international market.

Why Us?

A number of pharmaceutical companies are operating in the market but Maya Biotech has successfully broken the clutter in Pharmaceutical contract manufacturing and made a mark of its own in the medical domain with following stepping :

- High quality oriented manufacturing with right overages/Non-negotiable Best API and Packaging, with continuous R&D to develop more effective and improved pharma products.
- Long experience and extensive knowledge of industry.
- Timely delivery of commitments.
- Customer focused approach with more than satisfaction level.
- Proven ability in successful execution of small as well as bulk orders.
